Did you know?

Whitewater State Park was established in 1919 in order to protect the natural resources in the scenic Whitewater River Valley.

Whitewater State Park CCC/ WPA/ Rustic Style historic resources are architecturally significant as an outstanding collection of rustic style buildings and structures featuring native limestone construction.

The 29 Rustic Style buildings and structures within the Whitewater State Park Historic District are listed on the National Register of Historic Places.

Share Your Skills & Interests

-Would you like to help park staff with *resource management projects*; seed collecting, invasive species removal or stream monitoring?

-Are you interested in supporting popular *interpretive programs* and increasing local interest and use of park facilities?

-Would you like to help develop projects that focus on the *history of the valley and park*? Maybe you could help create a Civilian Conservation Corps History Center, be part of a Beaver Cemetery Walk or Ghost Walk.

-Have you wanted to be more active with *Watershed Education*? How about working with area 7th-12th graders who use the Whitewater Valley as their laboratory to learn about watershed land-use and concepts?

-Would you be willing to *provide input* on a design for the Gooseberry Glen Day Use Area?

-Perhaps you have special *knowledge or skills* in areas such as ecology, hunting, fishing, finance, politics, etc. that you would like to put to use for the park.

Then you would want to join our circle of **FRIENDS!**

Contributions from FRIENDS ensure the goals of Whitewater State Park are fulfilled.

MISSION

The purpose of the FRIENDS OF WHITEWATER is education, fundraising, and other activities to sustain the organization's vision and goals for Whitewater State Park, Winona County, Minnesota, sustaining the park's ecology, natural beauty and cultural history.
